I am not and never have been a member of any political party so I write this blog according to my views and convictions, supplemented by published materials. If there is any form of justifiable Intellectual Property Rights (IPR) infringement, please contact me and I shall endeavour to ensure that such material is removed and/or made to conform to the relevant IPR requirements.

I have no expectations that the AngloDeutsch™ Blog will go viral; relatively few people are interested in investing 5-10 minutes reading anything. At the same time, it is obvious that it will consume a good deal of time to write and manage, especially given the needs of my profession.

Since I do not independent financial means of support, I have ads to the AngloDeutsch™ Blog in the hope that the traffic will be sufficient to cover some of the costs involved. Therefore, I ask the reader for indulgence in terms of the ads / links that appear on the AngloDeutsch™ Blog. These have been designed to ensure that they do not detract from the reading experience.

I write the AngloDeutsch™ Blog because I am stimulated by the topics that I choose to engage in. I do hope to change the world at the margin but I am also a realist.

If you enjoy the articles, please feel free to recommend it to others.
